

List of Actors and their Goals

User	Goals
Human Player	Can start a game with 2-4 players, choose human or computer opponents, set difficulty, and enjoy with clear instructions and an easy interface.
Computer Player	Makes moves based on the chosen difficulty and follows the rules.
Game tester	Find and report any game bugs or issues, making sure it works well in different situations like saving, loading, and computer gameplay.
Player with Visual Accessibility	Play the game using symbols, patterns, or text instead of just colors.
